

AMICA in three sentences

AMICA Schweiz founded the Education and Consulting Center Amica EDUCA in 1996 in Tuzla, Bosnia Herzegovina and has been supporting it financially and strategically since then.

Under the Motto «Help for Self Help » Amica EDUCA trains professionals such as social workers, psychotherapists, doctors and teachers using modern techniques in processing trauma.

Furthermore, Amica EDUCA is an established consulting center where women, children and increasingly men, who have experienced violence can find psychosocial and educational support and assistance.
